

Local Councils, Internal Drainage Boards and other Smaller Authorities in England

Annual return for the year ended 31 March 2016

Every smaller authority in England with an annual turnover of £6.5 million or less must complete an annual return at the end of each financial year in accordance with proper practices summarising its activities. In this annual return the term 'smaller authority'* includes a Parish Meeting, a Parish Council, a Town Council and an Internal Drainage Board.

The annual return on pages 2 to 4 is made up of three sections:

- Sections 1 and 2 are completed by the smaller authority. Smaller authorities must approve Section 1 before Section 2.
- Section 3 is completed by the external auditor.

In addition, the **internal audit report** is completed by the smaller authority's internal audit provider.

Each smaller authority must approve Sections 1 and 2 of this annual return no later than 30 June 2016.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all highlighted sections. Do not leave any highlighted box blank. Incomplete or incorrect returns require additional external auditor work and may incur additional costs.

Send the annual return, together with the bank reconciliation as at 31 March 2016, an explanation of any significant year on year variances in the accounting statements, **your notification of the commencement date of the period for the exercise of public rights** and any additional information requested, to your external auditor by the due date.

Your external auditor will ask for any additional documents needed for their work. Unless requested, do not send any original financial records to the external auditor.

Once the external auditor has completed their work, certified annual returns will be returned to the smaller authority for publication or public display of Sections 1, 2 and 3. You must publish or display the annual return, including the external auditor's report, by 30 September 2016.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guides that can be downloaded from www.nalc.gov.uk or from www.slcc.co.uk or from www.ada.org.uk

Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report (ACHU0133)

On the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2016/17 for the exercise of public rights, since the approval date was after the start of the period for the exercise of public rights. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2016/17 and ensure that it makes proper provision for the exercise of public rights during 2017/18.

Guidance notes on completing the 2015/16 annual return

1. You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent work by the auditor. NALC, SLCC and ADA have helplines if you want to talk through any problem you encounter.
2. Make sure that your annual return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the smaller authority, properly initialled and explanation provided. Annual returns containing unapproved or unexplained amendments will be returned and may incur additional costs. **Smaller authorities must approve the annual governance statement before approving the accounts.**
3. Use the checklist provided below. Use a second pair of eyes, perhaps a Councillor or Board Member, to review the annual return for completeness before sending it to the external auditor.
4. Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must tell the external auditor about any change of Clerk, Responsible Finance Officer or Chair.
5. Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your smaller authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the accounting statements (**Section 2 on page 3**). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
6. Explain fully significant variances in the accounting statements on **page 3**. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide* to assist you.
7. If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge. **From 2016 onwards, you must inform the auditor of the date set for the commencement of the period for the exercise of public rights.**
8. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2015) equals the balance brought forward in the current year (Box 1 of 2016).
9. Do not complete Section 3 which is reserved for the external auditor.

Dear Mr Jackson

**Immingham Town Council
Completion of the limited assurance review for the year ended 31 March 2016**

We have completed our review of the Annual Return for Immingham Town Council for the year ended 31 March 2016. Please find enclosed the certified Annual Return for your attention.

The external auditor certificate and report is given in Section 3 of the Annual Return which details any matters arising from the review. The Body must consider these matters and decide what, if any, action is required.

Action you are required to take at the conclusion of the review

The Accounts and Audit Regulations 2015 (SI 2015/234) set out what you must do at the conclusion of the review. We have highlighted the new requirements in bold. In summary, you are required to:

- Prepare a "Notice of conclusion of audit" which details the rights of inspection, in line with the statutory requirements. We attach a pro forma notice you may use for this purpose.
- Publish the "Notice" along with the certified Annual Return before 30 September, which **must include publication on the body's website**. [The Annual Return must be displayed so that at least Sections 1, 2 and 3 are visible. It is acceptable to display a copy of the Annual Return, as long as it is a true facsimile and bears a note saying where the original can be inspected].
- Keep copies of the Annual Return available for purchase by any person on payment of a reasonable sum.
- Ensure that Sections 1, 2 and 3 of the **published Annual Return remain available for public access for a period of not less than 5 years** from the date of publication.

Fee

We enclose our fee note for the audit, which is in accordance with the audit fee scales set by the Audit Commission. Please arrange for this to be paid **at the earliest opportunity**.

Please return the remittance advice with your payment, which should be sent to:

PKF Littlejohn LLP, Ref: Credit control (SBA), 2nd Floor, 1 Westferry Circus, Canary Wharf, London, E14 4HD

Please include the reference HU0133 or Immingham Town Council as a reference when paying by BACS

Timetable for 2016/17

Next year, in line with the Accounts and Audit Regulations 2015:

- The Body must inform the electorate of a single period of 30 working days during which public rights may be exercised. This information **must be published at least the day before** the inspection period commences;
- The inspection period **must** include the first 10 working days of July 2017, i.e. 3 to 14 July inclusive. In practice this means that public rights may be exercised:
 - at the earliest, between Monday 5 June and Friday 14 July 2017; and
 - at the latest, between Monday 3 July and Friday 11 August 2017.

In order to assist you in this process, we plan to include a pro forma template notice with a suggested inspection period included in our pack, as in previous years. On submitting your Annual Return and associated documentation, we will need you to either confirm that the suggested dates have been adopted or inform us of the alternative dates selected.

Please note that we will set a submission deadline for the return of the completed Annual Return and associated documents in the usual way and this is planned to be Monday 12 June 2017, i.e. 10 weeks after the year end.

It is anticipated that the instruction letter and associated documentation will be sent out during March 2017 in line with current practice, subject to receipt of the printed Annual Returns from Public Sector Audit Appointments Limited, the successor body to the Audit Commission.

Satisfaction survey

We enclose a satisfaction survey for you to complete and return to us. Please return this to us by 1 December 2016, either by post or via email to sba@pkf-littlejohn.com.

Yours sincerely
